

How do I sign up for alerts so I know when new content has been added to the site?

You may sign up for email alerts within your MyAccess Profile to be notified when new content is added to a site.

1. Log in to your MyAccess Profile.

The screenshot displays the top navigation bar of the McGraw-Hill Medical website. On the left, there is a dark grey box with the text 'McGraw-Hill Medical' and a checkmark icon. To its right, there are dropdown menus for 'Subscribe' and 'English'. Further right, a 'Sign In' button is highlighted with a red arrow, followed by a 'McGraw-Hill Professional' dropdown menu. Below the navigation bar, the 'ACCESS Medicine' logo is on the left, and the 'Access Provided by: McGraw-Hill Medical' logo is on the right. At the bottom, a horizontal menu contains links for 'Books', 'Quick Reference', 'Drugs', 'Multimedia', 'Cases', 'Study Tools', 'Patient Ed', and 'Hospital Corner'.

2. Under “My Settings,” select “My Alerts” and enter your alert preferences by product and frequency.
